

# THE RED FEATHER NEWS, SINGAPORE

VOLUME: 02/17 MCI (P) 041/09/2017 A PUBLICATION BY THE RESIDENTS OF THE SINGAPORE CHESHIRE HOME SEPTEMBER 2017

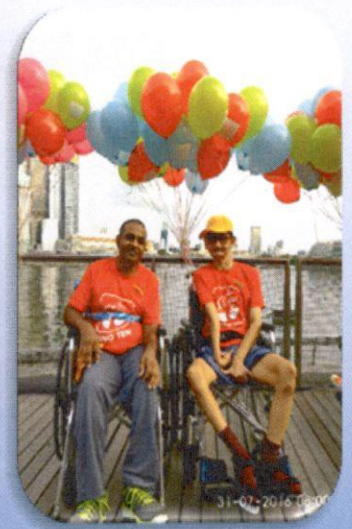

## From the Editor:

What is the meaning of experience? It simply means, we have to go through all sorts of trials in life. Whether we like it or not, experiences really help us to learn along the way. Experience also helps us to direct our paths that we choose to take.

In my past 16 years living in Singapore Cheshire Home, I have been experiencing more of the good things rather than bad. I had been actively involved in all sorts of events happening around the Home. With the staff taking well care of my well-being, I always find it pleasant to stay at Singapore Cheshire Home.

Quite recently, I have been embracing new changes in the Home. The changes were make-over of our Reading Room and new air-cond/replacement of lighting at our Day Care Centre by Temasek Holdings on 23<sup>rd</sup> June 2017. The library is located at the Day Care Centre. The library now has a whole range of books donated by Temasek Holdings for us to browse through. Similarly, just like how our NLB system works, each resident or day care client is allowed to borrow the books for 2 weeks.

Secondly, I am amazed by the mural painting done by the staff of State Courts. The mural is being drawn along the new wing corridor facing the hydrotherapy pool. As I'm staying in one of the rooms at the new wing, I'm amazed by the colorful picture each morning I wake up. The mural, I suppose, is all about volunteerism. With many volunteers to assist at the Home, the residents get a chance to go out sightseeing or even learn new things. Volunteers are hard to come by, but I hope to see more of these volunteers coming by, making a huge difference to residents like me.

# MURAL PAINTING BY THE STATE COURTS

Painting a mural requires a great deal of preparation, effort and inspiration! The team members of the State Courts came on weekends to work out their plans. The members were seen using rulers, pencils to draw lines, sketching images on the wall, before starting to paint the mural.
